This book entitled “**Design Pattern**” has been written in accordance with the syllabus prescribed by the ‘JNTUH R2013’ for the Final Year, B.Tech students of Engineering colleges affiliated to JNTUH.

This book comprises of five chapters which covers Jawaharlal Nehru Technological University, Hyderabad syllabus. The main emphasis of the book is to explain in a simple manner, the logical concepts that will enable even the beginners to understand them without difficulty.

Systematic care has been taken to support the topics with necessary illustrations and relevant diagrams to make learning much easier. It is believed that this book shall serve all the requirements of Final Year Engineering students.

It covers all the important questions that have appeared in the previous years of Jawaharlal Nehru Technological University, Hyderabad Examinations. University questions for regulations R2013 are given at the end.

Your suggestions are most welcome.
